**HOLY NAME SOCIETY**

Part of the proceeds from the golf tournament are used to purchase and plant flowers throughout the parish grounds; clean, set up the Grotto and provide refreshments for the outdoor masses; make donations to the school scholarship fund; support and contribute funds for parish projects.

**SCHOOL ATHLETIC DEPARTMENT**

The competitive sports teams at Notre Dame are **not** funded by the school, but paid for by fund raisers like this golf tournament. Athletic equipment is used by hundreds of children on a regular basis and needs to be replaced periodically. Uniforms, bats and balls, equipment, nets, etc., eventually wear out and quality equipment is expensive.

For 2018, funds raised through the golf tournament will be used to support Notre Dame athletics in the following ways:

- **new, needed uniforms for several teams in grades 3-6**
- **new volleyball standards to improve safety and play**
- **New scoreboard for the gym, benefiting basketball and volleyball**

**SIGN UP TODAY!!**
